

Christmas Children's Party 2015

On Sunday, December 13th, the company's annual Christmas Party took place, which, like every year, was devoted to the children.

Friendly elves and impressive stilt walkers greeted the arriving youngsters and, of course, Santa Claus, with whom the children rushed to take pictures with. The Jazz Trio added a special feeling to the reception. The cozy and festive atmosphere of the Hotel "Intercontinental" was filled with sincere children's smiles. A number of activities was available, directed towards young children, like the small train and inflatable castles. Older children tried their skills in activities such as archery, gladiator battles, Laser Guns και Air-Hockey. All children had the chance to display their artistic side with painting, Christmas creations, face painting and tattoos.

The highlight of the event was the kid's concert with the singer Demy that created a party atmosphere. Everybody danced, sang and had lots of fun.

This annual event gave the kids and their families the chance to relax and enjoy a wonderful Christmas experience.
