## Elval to participate in ALUMINIUM 2016

### 11th World Trade Fair & Conference

ALUMINIUM trade fair which will be held from November 29th to December 1st, 2016 in Düsseldorf provides an overview of the entire aluminium industry. It is the international meeting place for suppliers of raw material, semi-finished and finished products, surface treatment and machinery, plant and equipment for aluminium processing and manufacturing.

Elval will showcase its diverse product portfolio to the 27,000 expected visitors of the Fair at stand 13H30, along with its subsidiaries and partners Elval Colour, Bridgnorth Aluminium, Etem and UACJ-ELVAL Heat Exchanger Materials GmbH.

We are looking forward to meeting customers, partners, suppliers and journalists and we will be glad to provide extensive information about our complete aluminium product solutions.

The banner features a blue top section with the 'ALUMINIUM 2016' logo on the left and the text 'ALUMINIUM 2016' and 'STAND 13H30' in large white letters. Below this is a dark grey section with a close-up image of a person's eyes. The 'ELVAL' logo and 'HELLENIC ALUMINIUM INDUSTRY S.A.' are prominently displayed. At the bottom right, there are three white boxes containing the dates '29. Nov. - 1. Dez. 2016', the location 'Messe Düsseldorf, Germany', and the website 'www.aluminium-messe.com'.

#### About Elval

Elval is a leading aluminum manufacturer in Europe. Elval's manufacturing base includes seven production plants in Greece and manufactures numerous aluminium products that meet the requirements of the packaging, construction, transportation and automotive industries, among others. Elval exports to more than 80 countries around the world and has trading facilities in seven European countries. The Elval Group is the major constituent of the aluminium manufacturing, processing, and marketing segment of Viohalco SA, the Belgium-based holding company of a number of leading metal processing companies across Europe.
