Elval SA to participate in the ALUEXPO 2017 Exhibition

Elval showcases in the ALUEXPO 2017 fair its extensive portfolio of products and solutions for the packaging, sea, road and rail transportation, building & construction, energy, HVAC and industrial applications. The ALUEXPO 2017- “5th International Aluminium Technologies, Machinery and Products Trade Fair” will be held from 5 to 7 of October at the “ISTANBUL EXPO CENTER” Trade Center in Turkey, expecting to gather all the suppliers, producers and buyers of the aluminium sector under the same roof.

Elval will be present along with our local representative Base Metal at the stand: H10-E120

For more information about the exhibition you can visit the website: <http://www.aluexpo.com/>

About Elval

Elval is a leading aluminum manufacturer in Europe. Elval’s manufacturing base includes seven production plants in Greece and offers numerous aluminium products and solutions that meet the requirements of the packaging, construction, transportation and automotive industries, among others. Elval exports to more than 80 countries around the world and has trading facilities in seven European countries. The Elval Group is the major constituent of the aluminium manufacturing, processing, and marketing segment of Viohalco SA, the Belgium-based holding company of a number of leading metal processing companies across Europe.
