Elval SA to participate in ALUMINIUM USA 2017 Exhibition

ALUMINIUM USA is the leading exhibition and technical conference for aluminum products, technologies and investments in the United States.

The ALUMINIUM USA 2017 Fair will be held from 25 to 26 of October at the «Music City Center» in Nashville, Tennessee, and it is the place to get a comprehensive overview of the entire aluminum industry from producers, processors and suppliers of technologies till buyers, designers and engineers.

It is the platform that brings the aluminum industry together every two years offering aluminium products and solutions for all application fields.

Elval will showcase its diverse product portfolio for the packaging, sea, road and rail transportation, building & construction, energy, HVAC and industrial applications at Booth 625.

For more information about the exhibition you can visit the website: <http://www.aluminum-us.com/>

About Elval

Elval is a leading aluminum manufacturer in Europe. Elval's manufacturing base includes seven production plants in Greece and offers numerous aluminium products and solutions that meet the requirements of the packaging, construction, transportation and automotive industries, among others. Elval exports to more than 80 countries around the world and has trading facilities in seven European countries. The Elval Group is the major constituent of the aluminium manufacturing, processing, and marketing segment of Viohalco SA, the Belgium-based holding company of a number of leading metal processing companies across Europe.
