Elval participates in “ALUEXPO Istanbul 2019” Exhibition

“Elval will be present with its innovative flat rolled aluminium product portfolio at Aluexpo 2019 fair which will be held between 10 and 12 October 2019 at the Istanbul Expo Center in Istanbul”.

Aluexpo 2019 is one of the biggest aluminium events of the year where leading companies gather in one B2B platform, and have the chance to showcase new products as well as their latest technologies.

The fair is also considered an ideal meeting point for professionals, from mining and smelting to finishing and fabrication, who seek opportunities not only in Turkey but also in the Eurasian growing markets.

Elval’ s commercial and product & process experts are looking forward to meeting existing or potential customers and partners and provide extensive information about our high value-added aluminium solutions.
