ELVAL Group to participate in ALUMINIUM 2014

The ELVAL Group announces its participation in ALUMINIUM 2014 - 10th World Trade Fair & Conference, which will be held from 7 to 9 of October 2014, at Messe Düsseldorf in Germany.

The ALUMINIUM 2014 trade fair provides an overview of the entire aluminium industry spectrum, from raw material, semi-finished and finished products till surface treatment, machinery, plant and equipment for aluminium processing and manufacturing. With 1,000 exhibitors from all over the world and 25,000 international trade visitors, ALUMINIUM 2014 is aspiring to hit an attendance record this year.

ELVAL SA will be in stand 11E30, which will be shared with our subsidiaries and partners ETEM, BRIDGNORTH ALUMINIUM, AFSEL and ELVAL COLOUR Division.

We are looking forward to welcome customers, partners, suppliers, journalists and anyone who may be interested in our products at our stand and inform them extensively about the complete product solutions we offer.

For more information on the exhibition you can visit the website: <http://www.aluminium-messe.com/>

About ELVAL

The Elval Group is the aluminium processing and trading division of Viohalco. The Elval Group's extensive manufacturing base includes 12 production plants in Greece, Bulgaria and the United Kingdom and manufactures a number of different aluminium products that meet the needs of the food, shipbuilding, automotive, construction and printing industries. It exports to more than 80 countries and has trading subsidiaries in seven countries.
