

Personal Data Privacy Statement for Entry into Facilities

Supplementary to the ELVAL Aluminium Rolling Division of ELVALHALCOR S.A. Personal Data Privacy Statement

Identity of the Data Controller

ELVAL Aluminium Rolling Division of ELVALHALCOR S.A. processes personal data of yours upon entry to these facilities in order to apply access control to these premises, maintain the safety and security of authorised personnel & visitors as well as the security of the premises themselves.

What Personal Data is being Processed

The personal data being processed is:

- CCTV footage upon entering and circulating into the premises as allowed by law
- Identity information, such as ID/ passport number / residence permit, vehicle license / registration number
- Visit invitation identity information, such as name, surname, email address, phone number, company name, day, time, scope and location of the visit.
- Company-provided ID badge information for your entrance in our facilities, such as facial photo and digital signature
- Documents required for 3rd parties operating on our premises.

Who Processes Your Personal Data

Processing is performed by our company and other VIOHALCO companies

Personal data is not sold to anyone, not sent abroad or provided to any 3rd party

Protecting your Personal Data

Our company's intent is to ensure that appropriate precautions exist to safeguard your personal data in any phase or location of its processing.

Retention of Personal Data

We shall maintain the data as follows:

- For CCTV footage upon entering and circulating into the premises for no more than 15 days, except in the case of an incident.
- Visit invitation identity information for no more than 15 days, except in the case of an incident.

- Company-provided ID badge information for no more than 15 days, except in the case of an incident.
- Documents required for 3rd parties operating on our premises, for as long as is required under the relevant provisions of the current Greek legislation and for the period during which the contract is executed.

We may maintain however, this data further if so mandated by law, or for further legitimate interests of ELVAL that may arise until these interests are no longer in effect.

Profiling & your Rights as Data Subjects

No automated decision-making, including profiling takes place for your personal data.

You have the right to be informed of the personal data we process and request for a copy, to request the data being corrected, deleted, object to the processing of this data or ask for restrictions on its processing.

Note that in some cases:

- This may lead to our inability to allow your entry and circulation within our premises.
- The above rights may be subject to certain exemptions, where we may still need to process this data further.

You are entitled to complain to the Personal Data Supervisory Authority:

Hellenic Data Protection Authority
