

20/09/2019

Elval, host sponsor in “International Aluminium 2019” Conference

“Elval will be the gold sponsor of the International Aluminium 2019 Conference, organized by FastMarkets MB from 23 to 25 September 2019 in Athens.”

International Aluminium provides the attendees with the opportunity to meet over 300 delegates from across the aluminum supply chain and spend two days gaining latest insights and doing business with key companies at the biggest event in Europe dedicated to the aluminum market. This is an essential opportunity for the attendees to connect with high-level decision makers for two days of in-depth discussion, debate and insight into strategies and solutions available to the aluminum markets.

Elval’s key speaker will be Dr. Constantin Catsaros, member of Board of Directors of ElvalHalcor S.A.

The topics for discussion, during the Conference include:

- ✓ China: Production, demand and price trends
- ✓ Sanctions, tariffs and trade legislation
- ✓ Light Weighting for Electric Vehicles: a game changer for the aluminium industry
- ✓ Global foil markets and sustainability
- ✓ Future of packaging and responsible sourcing

About Elval:

Elval is the aluminium rolling division of ElvalHalcor S.A., one of the leading aluminium rolling manufacturers worldwide and the only one in Greece. For almost 50 years, Elval has been recognised as a trusted partner and innovative aluminium manufacturer, with a broad portfolio of quality products for the packaging, construction,
