Symetal Spin-Off

Elval Hellenic Aluminium Industry S.A. announces the completion of the internal restructuring programme, initiated in 2015, with the spin-off of the aluminum foil production and conversion sector, which is now under Symetal Aluminium Foil Industry S.A. a subsidiary of Elval Hellenic Aluminium Industry S.A..

About Elval

Elval is a leading aluminum manufacturer in Europe. Elval's manufacturing base includes seven production plants in Greece and manufactures numerous aluminium products that meet the requirements of the packaging, construction, transportation and automotive industries, among others. Elval exports to more than 80 countries around the world and has trading facilities in seven European countries. The Elval Group is the major constituent of the aluminium manufacturing, processing, and marketing segment of Viohalco SA, the Belgium-based holding company of a number of leading metal processing companies across Europe.
